NUMBER 28

## CHAMBER OF COMMERCE, ROTARY HOLD JOINT MEET

The Albany Rotary Club and the Albany Chamber of Commerce held a combined meeting Monday noon at the Veterans Memorial Building when the clubs' honored guest was Thomas Caldecott, chairman of the Alameda County Board of Supervisors. George Hoffelder, prominent Albany businessman and president of the local Chamber of Commerce, was chairman of the day.

Rex Nicholson, engineer, was guest speaker for this meeting when he talked to members of the proposed "Air Port of the East Bay." He mentioned the importance of immediate action to secure from the present State Legislature the right and approval of a municipal air port. Mr. Nicholson further stated that construction of such an air port would put to work some 4000 men and would place nearly 7500 people as permanent employees.

At this Monday noon meeting Oliver Nelson, chairman of Rotary for April, stated that Oliver Wheeler of San Francisco, will be the guest speaker at the April 16 luncheon meeting and that his subject will be "The Breton Woods Conference." Wheeler will be the first of three speakers to appear before Rotary members to discuss the all-important San Francisco Conference.

We can know in our heads what's going on in the world today. But unless we feel it in our hearts we won't do anything about it.

## Grace Lutheran Church Celebrates Tenth Anniversary

Commemorating the tenth anniversary of its organization as a congregation, Grace Lutheran Church, Santa Fe Ave. at Ward Ave., the Rev. O. R. Janke, pastor, will hold a special service of praise next Sunday at 11 a. m. The pastor will

REV. O. R. JANKE

speak on "The Crossing of Time."

On April 15, 1935, in the home of one of the members, seven charter voting members signed the constitution of the congregation, and the Rev. Mr. Janke was called as regular pastor. The communicant membership then numbered 44 adults. During the past ten years the congregation has grown to an adult membership of 197 and the Sunday school has an enrollment of over 200 pupils. In 1937 the present property was purchased, and the Church-Parish Hall erected in 1938. Since 1943 the congregation has been debt free and self-supporting, no longer dependent upon the help of the general church body.

In addition to the Voter's Assembly, three organizations at the present time render service to the church and promote its welfare: the Ladies' Aid Society, afternoon and evening division; the Walther League, young people's society; and the St. Lydia Altar Guild.

Upon the conclusion of the war and when building materials become available again, a regular church edifice and a parsonage will be erected according to the plans now being prepared by a prominent Bay area church architect.

## Exchange Club to Entertain Ladies

The Albany Exchange Club will hold its Annual Ladies Night at Helen's Kitchen on Wednesday night, April 25, according to President Jack Sloan.

The evening has been declared Mayor's Night in honor of outgoing Mayor Bert E. Hill and incoming Mayor Buzz Cleary.

Sloan stated that the entire facilities of the restaurant will be available for this honorable occasion and the cocktail hour will start at 6:30 with the dinner being served promptly at 7:30.

## New Officers for Breakfast Clubs

With 21 members present the Women's and Men's Breakfast Clubs of Albany held an "election meeting" Sunday, April 8, at the Palm Garden Restaurant.

President Paul Bryan opened the meeting and stated that nominations of officers for the Men's Club were open with the result that Ed Howell was elected president and Charles Wagner, secretary. President Bryan suggested that the installation of officers be held over until next meeting and there being no further business for this group the meeting was turned over to Opal Villa, president of the Women's Club.

President Villa ask for a financial report from Secretary Martha Hoffelder after which she announced that the nominating committee had selected Ellen Edith Moore for the new president and Catherine Fritz for secretary.

Mrs. Beatrice Raymond, past president and charter member of the club was then asked to install the newly selected officers. "Bea", in behalf of the women's group, extended thanks for the splendid work done by the outgoing officers and welcomed the new president and secretary.

Before adjournment of the breakfast meeting Mrs. Villa presented various members of the club and the new officers with corsages when expressing her appreciation of the co-operation she received during her term as president.

May 6 has been chosen as the next meeting date at the Palm Gardens.

## Aux. Members Judge Posters For Poppy Day

Poppy Posters submitted by pupils of the four Albany schools were judged Monday night as a special feature of the Albany Unit No. 292, American Legion Auxiliary meeting, it was learned today. The Posters appeared at the Veterans' Memorial Building through the courtesy of the school principals and art departments.

Each year the National Legion organization sponsors a Poppy Poster contest through local units in preparation for the observance of Poppy Day.

On Saturday, May 26, thousands of red paper poppies will be sold by members of the American Legion Auxiliary. The wearing of the memorial poppy has become a silent pledge that the people of America have not forgotten the responsibility they have to their fighting men of both wars.

The poppies are made in Veterans' Hospitals throughout the country by the disabled of both World Wars.

Lillie M. Bailey, who has been associated with the Westbrae Realty for the past 11 months wishes to announce to her many friends that she is now associated with her husband, Robert E. Bailey in their new real estate office located at 1641 Hopkins St. Phone BErkeley 3003.

## City Court Sets Record

Judge Louis J. Hardie, reports that the Albany City Court has closed a busy month. Fine and forfeitures for the month of March amounted to \$3,180.00, the largest sum collected in one month in war time.

There were 135 violations for speeding; 21 violations for intoxication in public places; 4 violations for violation of Sec. 502 Vehicle Code, driving while intoxicated; three violations for violation of Ordinance 416, Sec. 1-B, intoxicated in and about an automobile; 20 violations for over parking and various other matters not connected with motor vehicle offenses such as assault and battery, etc. One case was referred to the Alameda County probation officer and one defendant was bound over to the Superior Court on a felony charge for failing to stop and render aid after he had seriously injured a pedestrian.

## Safety Authority Visits Albany

Dr. Frank Pelton, member of the Executive Board of the National Safety Council, was recently the guest of the administrative staff of the Albany City Schools. Dr. Pelton has been visiting the East Bay area giving talks on safety to the educators of 10 East Bay cities. At his visit in Albany he stressed the fact that the National Safety Council is interested in emphasizing the need for courses of safety education in the public schools, courses in driver training and first aid, and the integration of safety education material along with the teaching of the other regular school subjects.

Dr. Pelton emphasized the fact that more children die from accidents than from diseases, there being approximately 11,000 deaths annually from accidents as compared with 9,000 deaths from diseases. The National Safety Council believes that 95 per cent of all accidents are preventable.

By discussing safety factors with school officials and promoting a program of safety education, it is the hope that children, as well as the adults, may be made more safety conscious. At the meeting held in Albany, all school principals discussed safety problems in detail with Dr. Pelton and Clinton Dreyer, managing editor for the East Bay Chapter of the East Bay Safety Council.

## Cornell PTA Elect New Officers

Mrs. Roland Grisham was elected president of Cornell P.T.A. for the coming year at the recently held general meeting of the unit. Mrs. Grisham, in her present capacity of finance and budget chairman, has been responsible for the many successful fund raising projects the organization has undertaken this year.

Other newly elected officers are Mrs. Phillip Johnson, 1st Vice President; Mrs. Rodney Miller, 2nd Vice President; Mrs. Roland Gilstrap, treasurer; Mrs. Wallace Maddala, recording secretary; Mrs. Fred Werner, corresponding secretary; Mrs. Franklin Henry, financial secretary; Mrs. E. W. Lax, auditor; Mrs. Henri Honnert, historian and Mrs. Charles Jurgensen, parliamentarian. The new officers will be installed at the May meeting, to be held jointly with the Cornell Dad's Club.

The Berkeley Blood Bank's visit to Albany Monday, sponsored by the parent-teacher associations under direction of Mrs. Walter Bernard, Cornell P.T.A. war service chairman, was the largest group the Berkeley Blood Bank has had to date. 189 blood donors kept appointments, with many more given future dates. Mrs. Bernard extends thanks to the members and friends of P.T.A. and to the personnel of Western Regional Laboratory for making the project so successful.

## Whist Party

The Y Mothers Club will hold a Whist Party Wednesday evening, April 18th, at 8 o'clock at the Albany YMCA building on Kains Avenue. Refreshments will be served and tickets will be 50 cents. Prizes will be furnished for the high scorers.

## Former Albany Boy Reported 'Prisoner of War'

Pfc. Frank Nausin, Jr., who was officially listed as "missing in action" last December, is now a "prisoner of war" in Germany, according to word recently received by his parents, Mr. and Mrs. Frank Nausin, Sr., formerly of Albany and now residing on Reliez Valley Road, Lafayette.

The Nausins received a letter from

their son written on a regulation form provided to war prisoners.

Nausin, junior, was born and raised in Albany. He is an Albany High School graduate with the class of January, 1942, and entered the Army in April, 1943. After receiving training in Boise, Idaho, he was stationed for a time as a guard at the Rehabilitation Center in Turlock. He then went to Indiana for further training with the 106th Division and was shipped overseas in October, 1944.

The Nausin family for many years owned two markets in Albany and are listed among the pioneer grocery-men of the East Bay.

## Legion Auxiliary to Honor Nat'l President

Members of Albany Unit 292, American Legion Auxiliary will attend a luncheon meeting on Tuesday, April 17th at the Hotel Claremont honoring Mrs. Charles Gilbert, National president of the Auxiliary, who is making her official visit to California. Albany Unit will have charge of the table decorations according to Mrs. Elinae Olson, 10th District president.

## CITY COUNCIL ANSWERS MOSQUITO QUESTION

The following letter was received this week by The Albany Times editor from the City Council, under the signature of Mayor Bert E. Hill. This communication is in response to the questioned opinions of the governing body in last week's (April 6) Times:

"Editor Times:

"During recent weeks there have been published in your paper many columns of discussion anent the presence of mosquitoes in Albany. This discussion presented one aspect only.

"Last week was published an open letter addressed to 'Fellow Citizens of Albany' in which was quoted, in part, a letter addressed to the City Council of Albany by Mr. C. G. Gillespie, chief, Bureau of Sanitary Engineering, State of California.

"The writer of the open letter also stated 'Under the climatic conditions of the Bay Area sporadic cases in human beings probably will occur, and may be expected to occur as long

as mosquito vectors are permitted to breed."

"That statement, unsupported by quoted authority, is calculated to inspire needless terror among the uninformed citizenry.

"While the writer of that letter may not be accused of deliberate misrepresentation, nevertheless, in cases where wholesale human health is in question, a careless oversight in quoting an authoritative opinion amounts to almost criminal negligence.

"Therefore, we wish to supply the unquoted part of the engineer's letter to complete the picture so dismally drawn last week, and this is it:

"But we are not prepared to say that in this cool climate they would be a health hazard. We incline to the belief that there is no health hazard here."

"Thus ends Section 3 of the letter from the State Bureau of Sanitary Engineering to the City Council of Albany, and it should be conclusive.

"City Council, City of Albany,

"Bertram E. Hill, Mayor."

## Dr. Hicks to Present Lectures at Evening School

As a special feature of the current season, Albany Evening school announces two lectures by Dr. John Hicks. These lectures are designed to give citizens of Albany a background for better understanding of the forthcoming United Nations Security Conference to be held in San Francisco. Dr. Hicks will speak on April 17 and 18 in Room 106 of Albany High school.

Each lecture will start at 8:00 p. m. The two lectures will be inter-related with the first lecture discussing the topic of "Back-

ground of World Organization and the second continuing the discussion with a presentation of the topic "From Dumbarton Oaks to the S. F. Security Conference."

Dr. Hicks is professor of history and Dean of the Graduate Division of the University of California. It is felt that a timely discussion of the topics and issues to be considered at the Security Conference will enable citizens to follow the newspapers and radio reports of the conference with greater understanding. These two lectures have therefore been planned as a special public service for the citizens of Albany. There is no admission fee and the public is cordially invited to attend.

## Be Ready WHEN BUILDING STARTS

BUILDING materials promise to become available before the actual fighting stops... as stock piles of war material increase and factories are reconverted to peacetime production. Be ready to build when that great day comes by owning the site on which your new home will be built. Be ready, too, by having your financing plan decided in advance. Come in for a preliminary discussion now.

## CITIZENS OF ALBANY

### WHAT CAN YOU SPARE THAT THEY CAN WEAR?

#### UNITED NATIONAL CLOTHING COLLECTION

##### TO BE HELD DURING WEEK OF APRIL 16-22

The clothing will be distributed to needy people in the war-devastated areas. Good substantial clothing for both winter and summer wear is needed. It must be useful to the people who will wear it.

**MOST URGENTLY NEEDED** are infants' garments, men's and boys' garments, women's and girls' garments, caps and knitted headwear, bedding, shoes, and usable remnants.

**DO NOT GIVE** women's hats, dress hats, derbies, high heel shoes, open toe shoes, evening slippers, rags or dirty or worn-out fabrics. These items are not usable.

All shoes collected should be mated and tied securely into pairs.

Underclothing and all cotton garments should be washed before they are donated but they need not be ironed.

Tie clothing in bundles or put in cardboard cartons and place it on the curbing in front of your house.

**ALBANY COLLECTION—SUNDAY, APRIL 22, 1945**

# CALL UP THE RESERVES!

## Standby Electric Power Wins Industrial Battles

HIGH up in an Oakland office building sits the P. G. and E. System Load Dispatcher. His role is that of a General directing operations from his Supreme Headquarters. He marshals an army of electric generating stations much as the military commander masses his divisions of men and armor.

On the front line are the 52 interconnected hydroelectric powerhouses of the system with a total capacity of 1,450,321 horsepower.

Held in reserve are 13 steam operated stations, big fellows most of them, ready to move into action at any time with additional electric forces totaling 853,384 horsepower capacity.

If storm, seasonal water shortage, or any other mischance puts one or more hydro stations temporarily out of commission or if demand at peak hours grows too heavy for the hydro plants to carry, the reserve steam plants are called up at the critical moment.

That's Standby, our insurance to industry, to all our customers, that service everywhere shall be uninterrupted and adequate.

Standby, the reserves that frequently win the industrial fight against costly shutdowns, idle manpower and machinery.

Standby, the extra system capacity which has enabled this Company to meet every wartime demand for power. Isolated generating plants, lacking this protection, cannot equal this record.
